

# CORE UNDERGRADUATE PLACEMENTS OPPORTUNITIES

Join McLaughlin & Harvey's Core Undergraduate Placement and gain invaluable hands on experience, ready to begin your career in one of the most exciting industries around!

The Core Undergraduate Placement gives you the opportunity to train in Civil Engineering, Quantity Surveying, Estimating, Construction Management, Planning, Information Technology or Human Resources, amongst many others.

From day one, our programme is designed to give you relevant and practical experience, tailored to suit your chosen career, with the support of experienced mentors.

We offer a paid, 12-month Placement with the opportunity to progress to our Core Graduate Scheme following your graduation. Training will include time in relevant departments, offering a broader understanding of how the business operates, whilst getting involved in interesting and challenging work.

Recent projects include: Alexander Stadium, Kings College Hospital, Christchurch Court Refurbishment, Coventry University, Northcote Library, Hawick Flood Protection Scheme, Stonehaven Flood Protection Scheme and Barclays Campus.

## How do I know if it's right for me?

All we require is that you are in your placement year, studying one of the following areas:

- Civil Engineering
- Quantity Surveying
- Estimating
- Mechanical & Electrical Engineering
- Construction Management
- Support Functions

Construction and Civil Engineering specific students should only apply if they are willing to travel and work away from home.

What is exciting about this opportunity is that you will be putting into practice what you have learned so far at University by working with experienced colleagues on a range of high profile projects.

We position our people for success. We empower everyone to play to their strengths, grow and develop their careers with the right level of support.

## How do I apply?

Submit your CV to be considered for our Core Undergraduate Placement by visiting our careers page at [www.mclh.co.uk/people/our-opportunities](http://www.mclh.co.uk/people/our-opportunities)

## What will happen next?

We shortlist for these roles at the beginning of each year and will be in touch to confirm next steps. Following on from this, if successful, you will be invited to attend an interview and have the opportunity to learn more about the company and demonstrate the skills that you can bring to the role.
