UNDERGRADUATE PLACEMENT

The McLaughlin & Harvey undergraduate placement will give you the opportunity to train in your chosen career path. From day one, our placement is designed to give you relevant and practical experience, tailored to suit your chosen career. Join McLaughlin & Harvey and you will gain invaluable hands on experience, ready to begin your career in one of the most exciting industries around!

We offer a paid placement with the opportunity to progress onto the graduate scheme following your graduation. Training will include time in relevant departments offering a broader understanding of how the business operates by getting involved in interesting and challenging work.

Our undergraduate placement focuses on developing your skills both professionally and interpersonally. The placement is structured, and you will experience working with other departments to broaden your knowledge of how the business operates.

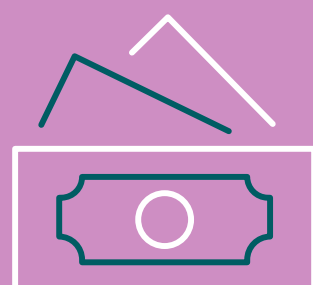

What is exciting about this opportunity is that you will be putting into practice what you have learned so far at university by working with experienced colleagues on a range of high-profile projects. You will get responsibility from an early stage in your career and will play a key role in helping deliver projects on time and on budget.
