

June 2015

Welcome to the fourth quarterly edition of the McLaughlin & Harvey Newsletter. As a major building and civil engineering contractor operating throughout Great Britain and Ireland, we wish to inform you of our current business activities. We believe our business is all about relationships. We want to continue building our relationship with you by keeping you informed of what we are up to. We also welcome your feedback and comments.

Please keep in contact with us through [LinkedIn](#) and [Twitter](#), and view us on [YouTube](#).

**There has been a number of instances lately where we have struggled to get quotations for specific subcontract packages at tender time.**

**Subcontractors are reminded that it is McL&H’s policy to return to the lowest subcontractor tender if we are successful, so it is in their own interest to return quotations to us at tender time.**
