

Welcome to the fifteenth quarterly edition of the McLaughlin & Harvey newsletter. As a major building and civil engineering contractor operating throughout Great Britain and Ireland, we wish to inform you of our current business activities. We believe our business is all about relationships. We want to continue building our relationship with you by keeping you informed of what we are up to. We also welcome your feedback and comments.

Please keep in contact with us through [LinkedIn](#) and [Twitter](#), and view us on [YouTube](#).

### V&A collection and research centre awarded

The V&A has announced the appointment of McLaughlin & Harvey as the base build contractor for the revolutionary new collection and research centre in east London.

Part of the V&A East project, the collection and research centre is one of two new public V&A venues now under construction in Queen Elizabeth Olympic Park. The centre will comprehensively represent the museum store as a visitor experience, transforming how the V&A's extensive collection can be accessed and explored.
