

Welcome to the sixteenth quarterly edition of the McLaughlin & Harvey newsletter. As a major building and civil engineering contractor operating throughout Great Britain and Ireland, we wish to inform you of our current business activities. We believe our business is all about relationships. We want to continue building our relationship with you by keeping you informed of what we are up to. We also welcome your feedback and comments.

Please keep in contact with us through [LinkedIn](#) and [Twitter](#), and view us on [YouTube](#).

### A note of thanks

From the onset of the Coronavirus in March this year we have all experienced significant challenges in both our professional and personal lives. At the forefront of all our minds is the health and wellbeing of our families, friends and colleagues.

During this time, McLaughlin & Harvey has continued to implement best practice to ensure our employees and supply chain remain protected. We are immensely proud of how everyone has risen to these challenges and continued to deliver for our clients whilst maintaining a safe environment for everyone.

None of this would be possible without the continued hard work and dedication of everyone. We would like to thank you for your support and ongoing commitment during these challenging times.

We wish you and your families the best of health in the face of this pandemic.
