

Welcome to the seventeenth quarterly edition of the McLaughlin & Harvey newsletter. As a major building and civil engineering contractor operating throughout Great Britain and Ireland, we wish to inform you of our current business activities. We believe our business is all about relationships. We want to continue building our relationship with you by keeping you informed of what we are up to. We also welcome your feedback and comments.

Please keep in contact with us through [LinkedIn](#) and [Twitter](#), and view us on [YouTube](#).

Committing to Net Zero by 2030

McLaughlin & Harvey is delighted to announce the launch of our Net Zero by 2030 strategy and our certification to ISO14064 for the quantification and reporting of greenhouse gas emissions.

Philip Cheevers, McLaughlin & Harvey Group Chief Executive, commented: "Our commitment to Net Zero as signatories to the UK Contractors Declare Initiative demonstrates the responsibility we feel at McLaughlin & Harvey for our share of the industry's carbon emissions. To combat climate change, we are committed to adapting our business to support a UK low carbon economy and will achieve Net Zero by 2030 while reducing annual emissions."
